SPECIAL NOTICE

This list is intended for the **TRADE ONLY**. If it reaches people **NOT** entitled to Trade Prices, we will thank any Nurseryman or Florist to advise us, so that our mailing list may be corrected. We do not employ agents. We do not pack dealers' orders on our grounds. We do not authorize dealers to use our name.

ALL PRICES ARE SUBJECT TO MARKET CHANGES

TERMS AND CONDITIONS

BUNCHING

Our standard bunching of shrubs is as follows:

Lining out grade	25 per bunch
12-18"	25 per bunch
18-24"	10 per bunch
2- 3'	10 per bunch
3- 4'	10 per bunch
4- 5'	5 per bunch

The cutting of bunches, retying two bunches and replacing remnants is expensive, which forces us to make additional charge for breaking bunches. See "PRICES" on this page.

SHIPPING

When no instructions are given, we ship as we think will best serve you, without assuming responsibility. If you prefer Rail, Truck or Express, please tell us, also giving any special routing instructions.

TRANSPORTATION RISKS

While we use every means at our command to secure prompt delivery, **WE ARE NOT LIABLE FOR DELAYS IN TRANSIT; OUR RESPONSIBILITY ENDS UPON DELIVERY IN GOOD ORDER TO CARRIER.** Remedy for loss must lie between the buyer and the carrier, but we will render all the aid we can.

TERMS—NURSERY STOCK

1. Cash with order (add about 5% for Packing Charges).
2. To customers with known or approved credit rating. Net 30 days, 2% 10 days.
3. C.O.D. Orders must be accompanied by at least 25%.
4. **All Boxes and Bales Are Extra At Cost.**

TERMS—SUPPLIES (Always Net)

1. Cash with Order or C.O.D.
2. Net Cash 10 Days to known or approved credit rating.
3. **No Cash Discount On Supplies**—and no packing charges.

PRICES

This List is intended for the **TRADE** and should be found only in the hands of people who buy our products for resale at a profit.

We price "Per 10," "Per 100," and "Per 1000." To obtain the lowest published price on Naked Root deciduous stock your order must consist of at least fifty plants and not less than ten of a variety or grade.

Orders for less than ten of a variety or grade will be invoiced at an **ADVANCE** of 20% **OVER THE TEN RATE, REGARDLESS OF THE SIZE OF THE ORDER**, except Conifers and Broadleaved Evergreens where 5 plants at the 10 rate and 25 plants at the 100 rate are available.

Prices do not include packing charges.

ALL PRICES ARE SUBJECT TO MARKET CHANGES

GRADES

We grade liberally. All shrubs of specified sizes are well furnished and well rooted. Culls are as rigidly excluded from the lightest grades listed as from the heaviest stock. Our rule is, "WHEN IN DOUBT, PUT IT IN THE LOWER GRADE." Detailed information as to method of grading Hedge Plants and Roses is given under such heads.

CLAIMS

All claims must be made IMMEDIATELY AFTER RECEIPT OF STOCK.

ALL shipments will be accompanied by an Alabama Certificate of health. We are in no quarantined area.

LIABILITY and NON-WARRANTY

All quotations are for immediate acceptance and subject to stock being sold. All bookings are without liability to us should injury befall stock from frost, hail, fire, or other causes beyond our control, and subject to the standard form Non-Warranty Clause which reads: "We give no warranty, expressed or implied, as to description, productiveness, or any other matter, of any nursery stock, seed or bulbs we sell."

IF FROZEN IN TRANSIT

If, on opening the bale or box, signs of frost are present close tight and bury in sawdust or dirt. Let the frost draw out naturally (requiring perhaps ten days) and no injury can result. DO NOT EXPOSE TO LIGHT OR AIR WHILE FROZEN.

COMBINING CAR AND TRUCK LOADS

We can often work out combination shipments, rail or truck, to our customers advantage. Refrigerated and Heated Trucks are available, on ample notice, to many points giving quick and safe service regardless of weather conditions.

PACKING CHARGES

Boxes and Bales will be charged at cost of labor and materials. This item will average around 5% of invoice. No charge for packing Car or Truck loads.

LATE SPRING PLANTING

With our cold storage facilities, we can now serve you until about June 1st with bare root stock. We closed down our coolers on June 1. On that day, we took out and planted as a test, *Lonicera Fragrantissima*, *Symphoricarpos Chenaulti*, *Euonymus Patens*, *Forsythia*, *Buddleia* and Flowering Almond all bare root. This stock grew off vigorously.

REFERENCES

As to our standing and responsibility we refer to any bank or business house in Huntsville, Alabama, the Commercial Agencies, and the leading nurserymen of the United States.

DECIDUOUS SHRUBS AND TREES

In listing plant material, we follow Standardized Plant Names as far as practical.

We price Per Ten and Per Hundred. To obtain the lowest published price on naked-root Deciduous stock, your order must cover at least fifty plants and not less than ten of a variety or grade. Orders for less than ten of a variety or grade, will be invoiced at an advance of 20% over the Ten Rate.

NOTE: The figure shown following the description of each variety indicates approximate height at maturity.

NEW YORK, April 1, 1959: "Plants were very nice. I am well pleased with the shipment."

Well grown field rooted Juniper liners.

CONIFEROUS EVERGREENS Two-Year Field Grown

All of these Conifers are grown from cuttings and have been root pruned in the field. This field grown stock is not to be confused with bed or frame-grown stock. They have grown in our full 42" rows where they have been under a state of high cultivation, which has developed character. They will be puddled in mud as dug and the roots carefully packed in sphagnum Moss in ventilated cases for shipment.

Potted stock will be shipped in paper pots of the size indicated.

351. BINDER TWINE:

Put up in bales of ten 5-pound balls. High quality. About 500 feet to the pound, 90-pound breaking strength. Most economical.

	Ball (5 lbs.)	Bale (50 lbs.)
YUCTAN (Mexican)	\$1.05	\$ 9.50

352. BINDER TWINE HOLDER:

If you use binder twine for bunching and balling as we do, no doubt you have had it to snarl and the loss is heavy. The picture is self explanatory. Inside dimensions are 8 $\frac{3}{4}$ " in diameter and 8" deep, with an inch wide reinforced hinged handle perforated so that the twine runs freely from the center of the ball. This will carry either a 5-lb. or 8 lb. ball. Made of heavy galvanized iron.

Each, f.o.b. Chase 4.65

360. NAILS—BALLING or PINNING:

Genuine nursery nail, smooth, bright, needle point, flat head. Will average approximately 210 to the pound. Ideal for pinning burlap on a B&B plant instead of sewing. Sample on request. Made in West Germany.
